Attn S R Grace, R J Schassburger

FORMAL PRESENTATION OF OU 2 BEDROCK CHARACTERIZATION TO EPA AND CDH -
RLB-0771-92

Ref J K Hartman ltr (13462) to R L Benedetti, OU 2 Bedrock Characterization,
December 4, 1992

The above-referenced letter states that a formal presentation will be made to the Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH) on December 16, 1992 with a dry run being made to the Department of Energy (DOE) on December 14, 1992. The December 14th dry run has been tentatively rescheduled for December 17, 1992 and the December 16th presentation has also been rescheduled for December 17, 1992 to accommodate DOE training schedules. The dry run will be at 8:00 a.m. on the 17th at DOE/RFO and the EPA/CDH meeting will be at 2:00 PM at EPA.
